Attn: Toni Hood
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Ms. Hood:

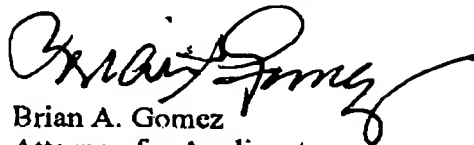

Applicants' received an Office Communication dated April 23, 2004 titled "Notice of Drawing Inconsistency with Specification." The communication states that Figures 1A-1B and 2A-2B were attached to the application but not supported within the specification. This notice is in error as these figures were submitted in support of a 37 CFR 1.132 declaration filed on November 17, 2003. The figures are not part of the application and should not be included in the printed patent.

Applicants' attorney was notified that a Notice of Abandonment was improperly issued yesterday due to the above error. In light of the above facts, please rescind the abandonment of the above application and proceed with issuance of Official Patent Grant. A Fee(s) Transmittal was filed in the USPTO along with payment in the amount of \$665.00 on March 8, 2004.
